Pastor's Letter

Last week was the last week of classes for Holy Name of Jesus School. *Summer vacation has begun!* However, our prayer life, our reading, and our studies do not take a vacation just because we are not in the classrooms each day. We continue to grow in the love and Christ and the knowledge of His teachings, as that is the basis of Holy Name of Jesus School.

When our eighth graders graduate, we ask each one of them where they are going to high school. Of our 27 graduates this year, 20 are going to Catholic high schools. And all 27 of our students are well-prepared for the years that lie ahead. **Where will our eighth grade graduates be this fall?**

St. Genevieve High School = **8**

Notre Dame Academy = **3**

Junipero Serra High School = **3**

Salesian High School = **2**

Loyola High School = **1**

Bishop Montgomery High School = **1**

Immaculate Heart High School = **1**

Verbum Dei High School = **1**

Frederick Douglas High School = **3**

Palisades High School = **1**

Glendale High School = **1**

Fairfax High School = **1**

Downtown Magnet High School = **1**

I think that we would all agree that this is a very impressive list of schools!

During this past school year Holy Name of Jesus School had 175 students enrolled. **This fall we are aiming to have over 200 students, and we would like to add ten or twenty new students each year until we reach our capacity of 270 pupils.** We have been marketing our school throughout our neighborhood and in the local pre-schools. We have been involved with local civil and business organizations and we have been getting the word out in our community about ***the treasure that we have here at Holy Name of Jesus School.*** Now I would like to ask each one of you to get the word out among your family and friends, and let them know that here at **Holy Name of Jesus School - "We are letting our Light Shine!"** And, remember, **Pastor's Scholarships** will be offered again this year for families that are struggling financially. As I have said before, ***"If financial constraints are preventing your child from attending Holy Name of Jesus School, please come talk to me. We will work with you and your family!"***

May the Lord continue to bless us always and in all ways, ***Father Paul***

Holy Name of Jesus School News!

School Starts August 2, 2010 as HNOJ Works on Closing the Learning Gap

Thanks to the Ahmanson Foundation, which recently approved a grant of \$25,000 to HNOJ, our school has extended the school year to eleven months. Our research has shown that an extended year will reduce the learning gap created by a long summer break and set the stage for better academic performance by our students. As a result of this improvement, the 2010 - 2011 school starts **Monday August 2nd** and Thursday, July 29, 2010 for all 6th, 7th, and 8th graders.

Evening of Music: A Big Success!

Thank you to HNOJ's parishioners, parents and friends who supported the Evening of Music. The event highlighted our school's comprehensive music education program, innovative physical education program and generated close to \$3,000 which will be invested back into the music program. Special thanks to our pastor Fr. Paul, principal Ms. Belisle, Director of Religious Education Mrs. Brown, faculty and staff, and Board of Advisors President Michael Williams and Vice-President Shirley Miller for their assistance.

Office of Religious Education

Religious Formation classes (CCD) registration for 2010-2011 new and returning students will take place during the month of August. You may register in the office or through the mail. Check the bulletin for more information.

Please keep our Confirmation and First Communion recipients in your prayers!

Annual Day of Prayer

It's time again for our Annual Day of Prayer. This year we will join with St. Odilia Church on Saturday July 10, 2010 at the Shriner's Children's Hospital. Transportation will be provided for those in need. Lunch is included. The cost is \$20.00. The money must be in no later than June 19, 2010. 4th of July Safety Tips

By Lisa A Mason (www.ezinearticles.com)

4th of July and should be a day of fun and celebration, but it is also one of the most dangerous days of the year. You can keep your Independence Day fun and safe when you follow the proper safety tips. Whatever your plans are for this holiday, be sure you remember these safety tips.

1. Remember the importance of fireworks safety: Fireworks are illegal in most cities and they are a fire hazard. Outside city zones where you are allowed to use fireworks, there is still the danger of fire and also of bodily injury. Always read all instructions properly and do not use near wooded or dry areas.
2. Always have water available to put out any sparks or flame that may occur when using fireworks.
3. Never point fireworks at people.
4. Do not allow children to play with fireworks or firecrackers.
5. Don't drink and drive. Always have a designated driver and don't let your friends drive drunk.
6. Be extra cautious on the road. Even if you are not drinking, other people can be. Drivers also become distracted by fireworks and other excitement in the area. Be extra cautious if you must be on the road this weekend, especially at night.
7. Be careful during barbecues that you do not start a fire. Be sure all coals are completely out before leaving the barbecue unattended. Be cautious of children playing around the barbecue area.
8. Store food properly to avoid food poisoning. Be careful of leaving food out - especially in the heat.
9. Remember to drink responsibly and to serve foods at the proper temperature.
10. Also, if you have pets, remember pet safety too. Don't let your beloved pet become a casualty this 4th of July.

Statistics show that over 7,000 people each year get treated for 4th of July related accidents. Don't be one of them. Stay safe this year. Have a happy 4th of July!

DID YOU KNOW?**Possible Indicators of Child Abuse and Neglect**

A key to reporting child abuse and neglect is being able to recognize common indicators. In a parent, the following signs may signal the presence of child abuse or neglect: shows little concern for the child, blames the child for the child's problems in school or at home, asks teachers or other caretakers to use harsh physical discipline if the child misbehaves, sees the child as entirely bad, worthless, or burdensome. Child Safety Month**Things Parents should know.**

Do you know the route your child uses to get home from school? Do you know the name and number of your child's friends? Are you monitoring their Facebook, MySpace and Twitter accounts? Do you have passwords on your computers at home? How many hours does your child spend on the internet and/or playing games? Do you monitor their text messaging?

Did You Know?**Five Steps to Safer Environments**

The Archdiocese mandates that all people who work with children and youth in our parishes and schools must undergo child abuse prevention training through the VIRTUS program. The training details five steps to prevent child sexual abuse: Know the warning signs of an inappropriate relationship with a child.

1. Know the warning signs!
2. Control access to children by carefully selecting the adults who work with children and youth.
3. Monitor all programs for the safety of children and youth.
4. Be aware of and sensitive to what is going on in the lives of children.
5. Communicate concerns to the appropriate person in authority.

1. It's My Body!!! - I have the right to know all the safety rules.
2. The "Uh-Oh" Feeling - If I feel like something's wrong then I'm right. Sometimes I need to ask questions.
3. I can say "NO!" to sexual abuse or bad touch.
4. I will Tell Someone if I am sexually abused or hurt.
5. IT IS NEVER MY FAULT.
